VERBAL NOTE

No. 3002

The Embassy of Italy presents its compliments to the Ministry of Foreign Affairs of the Kingdom of Thailand and would like to inform about the activities of the European Academy of Religion (EuARE), a research consortium and exchange platform of individuals, organizations and institutions dealing with religious studies in Europe. The European Academy of Religion is located in Bologna, Italy, and received the High Patronage of the European Parliament, the Patronage of the Italian Ministry of Education, University and Research as well as the Ministry of Foreign Affairs and International Cooperation.

The first Annual Conference of the EuARE took place in Bologna on March 2018. More than 1.000 participants attended around 200 panels, which focused on themes connecting religion and international relations (e.g. protection of minorities, cultural and religious diversity, promotion of tolerance and religious freedom, etc.).

Next Annual Conference will be held again in Bologna on 4th - 7th March 2019. The program will include keynote lectures, panels, book presentations, movie and documentary screenings. All the details concerning the European Academy of Religion are available on the website <https://www.europeanacademyofreligion.org/>.

The Embassy would appreciate if the above mentioned information can be disseminated among Thai relevant bodies and institutions potentially interested in the subject.

The Embassy of Italy avails itself of this opportunity to renew to the Ministry of Foreign Affairs of the Kingdom of Thailand the assurances of its highest consideration.
